

Snow Mobile Backcountry Skiing, 9 days

Karakol Gorge

Eye-catching panoramas, half-frozen rivers, snowy trees and incredible skiing and snowboarding lines! Riders delivery through prepared snowmobile tracks to the average riding areas at 2600-3100m. The riding area can be easily expanded with skitouring!

We offer incredibly huge areas for small/average groups. The most riding lines goes through the forests which makes your riding experience a way more epic.

You should understand that snowmobile seat can carry a driver and a single passenger. Second rider will have to lift holding a rope. This is quite easy for skiers and a bit tricky for snowboarders which requires a good strength and some experience.

Jyrgalain Valley

Jyrgalan is wonderful surrounded by mountains valley, where you can enjoy with nature of this beautiful place Jyrgalan valley. In winter time is also all places covered by deep white snow, great variety of snowy slopes up to 3700m
